

Keep Abilene Beautiful

Keep Abilene Beautiful, Inc. recognizes programs and projects that actively contribute to recycling, beautification, and sustaining Abilene's resources. These awards are given to local government, community groups, and businesses.

KAB Recycling Award - Recognizes achievement in preventing waste through recycling efforts.

Donna Albus Beautification Award - Recognizes beautification efforts that improve the local community aesthetics.

KAB Sustainable City Award - Recognizes sustainability efforts through water or energy conservation, litter prevention, or any community action that recovers resources or sustains our culture.

Please type or print all information to apply for one of these awards.
